It is worthy of mention that the team presented their

technical and tactical skills throughout the competition, demonstrating a high

level of proficiency on the field. However, they faced a stronger opponent

in Corinthians and lost 2-0 in the quarterfinals, ends its participation

in the championship.

It's suggestable that Amrica-MG to work on some specific areas

and reinforce their team's weapons, aiming for better performances

in future competitions. Additionally, learning about the history of the event

and previous participation by Amrica-MG could facilitate better

understanding of the achievements of this great club. There would be a great

subject that through research can bring various diverse topics to talk

about.
