character with a single tap across many levels with obstacles &#127771; and cl  
iffs. Your character runs automatically and only stops when he hits a solid obje  
ct or a wall. Tap and &#127771; jump at the right moment to keep your character  
running in the right direction, and tap again and hold to &#127771; swing off  
of platforms with the brown circle. You must collect all of the coins in the lev
