

cassino confiavel

Some jumpscares are found in the film, too, usually accompanied with a loud sound effect and terrifying music. This is a very suspenseful and scary movie, with multiple nightmarish sequences and a number of graphic death scenes. The ending is very startling and terrifying.

Parents Guide: Frightening & Intense Scenes - *Suspiria* (1977) - IMDb

Very graphic and disturbing. Killings are gruesome and very bloody, however they are totally outdated to today's standards. In the film's most iconic sequence, a woman's face is smashed through a window, before she is stabbed several times from a distance.
